SPRING 2021 TEACHING SERIES: DANIEL | JESUS IS KING

For the first 7 weeks of the spring semester, we will be walking through the first seven chapters of Daniel. Daniel was a teenager when King Nebuchadnezzar conquered Jerusalem, separated Daniel from his family, and sent Daniel (and other young men like him) to the capital city of Babylon. Daniel was never allowed to return home. This book was written to encourage hopeless exiles that, despite how it looks, God is king over all other kings and His kingdom is coming.
